**CHARTER SCHOOL**  
—

March 15, 2020

Dear Charter Families,

I hope this email finds you and your family healthy. These are very difficult times and the Charter School wishes our community the best as we navigate these complicated waters.

**Starting Monday, March 16<sup>th</sup>, a bag breakfast/lunch will be available to ALL Charter students between the hours of 11:00am-1:00pm, Monday-Friday.** These bag lunches will be available on the front deck. The menu for this breakfast/lunch could include the following:

- Breakfast Burrito, Egg Sandwich, Calzone with local meat or French Bread Pizza with homemade pesto and crostini
- Greens
- Milk
- Fruit

If you are interested in this bag lunch option, please notify me at [psteedman@mvpcs.org](mailto:psteedman@mvpcs.org). We will write the name of the student on the bag. We will always provide a vegetarian and gluten-free option. Please indicate in your email if you prefer a vegetarian or gluten-free meal. **Please email me by 8:00 pm on a daily basis if you wish to pick up a bag lunch the next day.**

In an effort not to waste food, we will monitor the pick-up over the next few days to determine how many meals we should produce on a regular basis moving forward. Please note that we will be evaluating this offering and updating as needed.

**If a teacher contacted you about work that needed to be picked up due to a Friday absence, please do so on Monday, March 16<sup>th</sup>.** Meaghan will be at the front desk from 10:00-2:00. **We are asking all community members to stay out of the main building after Monday.**

**Please practice social distancing protocols when you pick up your lunch/work.** Betsy will be in the kitchen and Meaghan will be at her desk, but they will be practicing these protocols as well.

As the situation evolves, I will continue to communicate with our Charter families. Please take care and contact me via email if I can be of any assistance.

Sincerely,

Pete Steedman, Ed. D.  
Director
